Receive a cordial greeting, director of human talent of the global customs company, I am neidys fragozo carmona

Technologist in coordination in logistics processes, student of SENA, leading institution in Colombia.

Through this letter, I wish to express my application for the position offered as a transportation supervisor. I have carefully read the description of the vacancy and I consider that I have the required skills and experience. I would like to be part of this great company as a global customs company.

As you could see on my resume, I have extensive experience in coordination, my main organizational skills are: leadership, teamwork, kindness, respect, responsibility.

My coordination skills are: negotiation skills, customer service, familiar with warehouse management systems, shipment tracking software, data analysis and other technological tools.

The skills and abilities that I have acquired throughout my studies have given me confidence and security to obtain this great position, I can also include the great fluency I have in interacting in this field, I am extremely grateful for the opportunity.

If you require more information about me, you can contact me

through my email: neidyscarmona201@gmail.com

phone: +573243193004

I attach my resume at the end of this letter.

Thank you very much for your attention.
